

Mountain Lake Cabin For Rent

ASTRONOMER DISCOUNT **(25% off of published rates)** **“Tchotchke Moose”** **Cozy Cabin on a Quiet Lake**

Located in Grand Lake, CO (near south entrance to Rocky Mountain National Park)

The cabin is well maintained and sleeps 6. The “bedrooms” are located in the upper loft. There is 1 Queen bed, 1 Full size bed and 2 Double beds. The cabin is fully furnished and all you need to provide is food/beverages. There is 1 Full bath and a fully equipped kitchen!!

At night, enjoy Milky Way skies with viewing from the South thru West to North. The eastern sky is blocked by forest. **NO STREET LIGHTS!!!** Just on the north side of the cabin is a community area where you could setup to give you a bit more unrestricted view from the trees. On the upper level, there is a small walkout deck where a smaller scope could be setup and viewing could be enjoyed from the deck.

The cabin is a great getaway!! Have a campfire, sit on the deck overlooking Columbine Lake or just relax inside. You are just minutes from Grand Lake Village and if you visit when Trail Ridge Road in RMNP is open, you will have access to Estes Park. In the winter time, enjoy some of the best snowmobiling there is!! Skiing is only 20 miles to [Sol Vista Ski](#) area or 40 miles to Winter Park!
